

# Meet XCaaS: The eXperience Communications Platform

Contact centre, voice, video and chat.  
All on **one platform**.

Visit us on stand **Z40** for a live demonstration and  
a chance to win a **Peloton bike!**

- 8x8 is helping companies to respond faster and smarter to exceed customer expectations by combining voice, video, chat and contact centre communications with analytics in a single intelligent cloud-based platform.
- Eliminates information silos to expose vital, real-time intelligence across all clouds, applications and devices to improve individual and team productivity, business performance and customer experience.
- More than a million business users rely on the 8x8 Communications Cloud to reduce complexity and cost, accelerate high performance and enhance the overall customer experience.
